CONSUMPTION.

It should also be remembered that the Indian Vegetable Pills are certain cure for

PAIN IN THE SIDE,

Oppression nausea, and sickness loss of appetite, costiveness, a yellow tinge of the skin and eyes, and every other symptom of a torpid or diseased state of the liver, because they purge from the body those impurities which if deposited upon this important organ are the cause of every variety of

Being composed entirely of vegetables, they are of such a nature that they may be taken for any length of time by invalids of any age, without injuring the system or exposing it to take cold

BEWARE OF PEDLARS!!

The genuine article cannot be obtained of them on any pretence whatever

I NEVER EMPLOY THEM

NOR ALLOW THEM TO SELL MY MEDICINES

And all Bitters, put up in phials and Mahogany bottles, purporting to be mine,

ARE BASE COUNTERFEITS

As some are base enough to fill the empty bottles with their stuff, and thus deceive the unwary, and some have attempted an imitation of my Bitters in papers

BE CAREFUL OF WHOM YOU PURCHASE!

In consequence of these attempts at imposition, I have been at great expense in having new directions and wrappers and in future the Bitters in papers will be done up in a different style See that the envelope has on it my name in full "entered according to act of Congress, in the year 1840 by S O Richardson, M D, in the Clerk's Office of the District Court of Massachusetts" and on the other side, "Established at South Reading, County of Middlesex, Massachusetts" The border around the inside directions, (which are printed on white tissue paper) is so curiously engraved that the words "Dr S O Richardson's Sherry Wine Bitters" present themselves in a thousand different forms As a copy right has been granted me,

THE INFRINGEMENTS WILL BE SEVERELY DEALT WITH according to law. The bottles are nearly ready to be issued in the same style

All Bitters prepared by me have a fac simile of my signature on the outer envelope,

Whig Caucus.

THE WHIGS of Bangor are requested to meet at the NEW COURT HOUSE, on THURSDAY evening next, (the 9th inst) at half past 7 o'clock, for the purpose of selecting three candidates to represent this city in the next State Legislature Per order of City Committee
Sept 6

☞ Professor Espy had a full audience, at his lecture last evening, and all present were delighted with the splendid discoveries of the Professor in the science of Meteorology It has been the good fortune of Mr Espy, wherever he has had an opportunity to give an exposition of his discoveries and views, to have met with triumphant success. To hear him is to believe He will lecture again this evening, and an increased interest will undoubtedly be felt to hear from his lips his views on the laws of storms, so interesting and so plausible The very low price of the lecture will enable all classes to attend, and his lectures are of that character that nearly all can appreciate their excellence

☞ The Indiana Journal, announcing the death of John B Richardville, the Principal Chief of the Miami Nation, says He died on the 13th inst at his residence on the St Mary's river, near Fort Wayne, in that State He was about 80 years of age He left about $200,-000 in specie, besides im--nse quantities of very valuable real estate By will he left his vast fortune equally divided among his relations.

☞ It is but fair to give the present administrations of the State and Nation, that, for the short ti-- they have been in po--er have done so well, a fair chance to mature and carry into effect th--ir plans. Give the proper time to try their --r--ores and the country will rise like a y---g giant fro-- the bands that have -- stually bound her

☞ We have been requ-----d to state that at a Liberty Cau---" holden in this city last evening, Anthony --oodard, Jeremiah Higgins and John E. Godfrey were sele--ed as candid ates fo-- Re-- r sentatives to t-- State Legislature

☞Look at the bills and accounts ☞

published in this paper, all allowed and settled by Gov. Fairfield and his Council, or by a Fairfield Legislature And these are the men who are now at work day and night to get into power again, with the same John Fairfield to lead them

Will you permit them to succeed?

If you do, with all these enormities staring you in the face, what fear will they have in plundering you much worse next time? None at all.

They will pick your pockets in open day!!

and then laugh you in the face.

They will bankrupt the State!

and either grind you to powder w-- h ---d, impudently tell you that you need not pay the capitalists and stockjobbers and British bankers of whom you have borrowed money, or sold State scrip for what it would bring

Look to it in time!

And that time is NOW! It is TO DAY! It is TO-MORROW!

It is Monday!

If you wish to save the State from the spoilers.

Vote for EDWARD KENT!

Dont t threw away a single vote!

We present a specimen of

ABSTRACT OF THE BANKRUPT BILL

1. The law is retrospective, and discharges all debts previously contracted by the bankrupt.

2. All persons may take advantage of the act on giving a full statement, upon oath, of their debts and available effects, without regard to the amount of their debts

3 Bankers brokers merchants, underwriters, marine insurers &c, upon the petition of a certain portion of their creditors, may be declared bankrupt, provided their debts amount to $2000 or more; whenever they leave their respective States to defraud the creditors, &c or shall conceal their goods, to prevent them from being reached in execution, or make fraudulent assignments, sales, gifts, &c The person so declared bankrupt, can, within ten days after the decree have a trial by jury, to ascertain the fact of such bankruptcy

4 All preference and transfers of property in contemplation of bankruptcy, are declared void

5. The United States, and laborers with demands for labor done within six months, not exceeding $25 are to be preferred creditors

[illegible] is to appoint an assignee, in whom the bankrupt's property is to be vested The assignee is to give bonds to the court, and must pay into court all the personal property of the bankrupt within sixty days after its reception

7 The bankrupt is to be discharged in seventy days after complying with the requisitions of the law, but if a majority of the creditors object to his discharge, he may claim a trial with or without a jury

8 Joint contractors and endorsers are not released by the discharge

9 Provisions are made for mortgages, and liens on property

10 Household furniture to the amount of $300 is exempted

11 A false oath by the bankrupt is declared perjury

FOREIGN ITEMS

The French Admiral, Lasussee, sailed from Toulon for the Levant on the 8th ult, to unite under his command, all the French ships of war in those seas Reports of the declining health of the Sultan, and of the spread of insurrection in Syria, have led to this step

The Legislature of Nova Scotia have made an appropriation to have their coast supplied with Francis Life Boats and the company have received orders for their construction with all possible dispatch

YUCATAN — We have received our files of Merida papers to the 24th ult and from them learn that Don Joaquin G R ---on, an enterprising citizen of Merida is exploring the country for the object of constructing roads and finding the best lands for the culture of tobacco, and it is in contemplation to make a road from Champoton, on the Gulf of Mexico across the peninsula to the port of Bacalar, near the Belize at Honduras. The country is in a flourishing condition, and at the recent election for members of Congress, the liberal party had gained, and the absolute independence of Yucatan from Mexico would be proclaimed in a short time [Times and Star

Boston and Maine Rail Road This rail road is advancing step by step towards completion It is but a short time since it made an advance from Exeter to Newmarket The rails are now laid between the latter place and Dover, and a train of cars went over the road to that place on Wednesday last, and it will be soon opened thus far to the public making a distance of 67 miles from Boston The line for this distance consists of part of the Boston and Lowell Rail Road, 15 miles the Boston and Portland to the New Hampshire line, 20 miles, and the Boston and Maine to Dover, 32 miles We understand that it is to be further continued the present season to the State of Maine, at Great Falls [Boston Advertiser

The Bankrupt Law We notice with pain that some of the locofoco papers in our State, New Hampshire and Maine, have taken up the cry of Buchanan, of Pa, *repeal!* REPEAL!! REPEAL!!! the Bankrupt Law This law is of as much real benefit to the creditor as to the debtor, and the time is not distant when the whole people alien as well as citizen, will bless the day when it became a part of the system of our free institutions It is one of the best regulators of trade ever conceived and wo betide the destructives if they attempt its repeal "*Preserve and regulate, but not destroy*" is our motto and to no measure was it ever more applicable than the Bankrupt Law [N Y Star

FROM TEXAS The steamship Kingston, from Galveston, arrived at New Orleans on the 24th ult Nothing further had been heard from the Santa Fe expedition. The Indians are still retiring from the Northern frontier

Hon Anson Jones has declined being a candidate for the Presidency

Flour is scarce in Texas Galveston is very healthy The Texas Cotton crop promises well The French flotilla is a subject of fun, not fear, to the Texans.

CHARACTERISTIC OF FARMERS Farmers seldom effect a mystery of their agricultural operations A farmer is always free, ready and communicative and this has been a characteristic of the husbandman from time immemorial It is related of Ischomacus, a complete husbandman, described by Xenophon in his economics, that "all other tradesmen are at great pains to conceal the chief parts of their art But if a farmer has either sown or planted his fields with care and propriety, he is happy in having them inspected and when asked, will conceal nothing of the manner by which he brought his works to such perfection."

THE FIELD OF WHEAT

BY MISS H F GOULD

Field of wheat so full and fair,
Showing thus thy shining hair,
Lightly waving either way
Where the gentle breezes play,
Looking like a sunny sea,
How I love to gaze at thee!
Pleasant art thou to the sight,
And to thought a rich delight,
Then thy name is music sweet,
Stricken sounding field of Wheat!

Pointing upwards to the sky,
Rising straight and aiming high,
Every stalk is seen to shoot
Like an arrow from the root,
As a well trained company,
All in uniform agree,
From the footing to the ear
All in order strict appear;
Marshall'd by a skilful hand,
All together bow or stand

Still within the proper bound,
None o'ersteps the given ground,
With its tribute held to pay
At his nod whom they obey.
Each the gem that stud its crown,
Will in time for man lay down
Thou with promise art replete,
Bearing precious sheaves of wheat!

How thy strength in weakness lies!
Not a robber bird that flies
For support whereby to put
On a stalk her lawless foot,
None her predatory beak
Plunges down thy stores to seek,
Where thy guard of silver spears
Keeps the fruit and decks the ears,
No vain insect that could do
Harm to thee, dares venture through
Armoury like thine to win
From the sheath the grain within

What a study do we find
Opened here for eye and mind
Who that sees thee as thou art
Can disown a grateful heart?
Here upon this favored ground,
Faith is blest and Hope is crowned
Charity may find the bread
Wide abroad her gifts to spread,
Wisdom, Power, and Goodness meet
Beauteous, Bounteous field of Wheat

CONSUMPTION

DR. ALLEN'S BALSAM of Horehound, Liverwort, and Pleurisy Root, FOR CONSUMPTION AND LIVER COMPLAINT, Colds Coughs Spitting of Blood, Catarrh—Asthma Difficulty of Breathing Pain in the Side Palpitation of the Heart, Oppression and Soreness of the Chest Pleurisy Hectic Fever, Night Sweats Difficult and Profuse Expectoration and all affections of the Chest, Lungs and Liver

The Hoarhound Liverwort, and Pleurisy Root have for centuries been celebrated in the cure of diseases of the Lungs and Liver

Dr B D. Allen after a series of experiments, has been able to extract from these medical herbs a balsam, which exerts a most wonderful effect in curing Consumption and Liver Complaint and all other diseases of the Lungs and Chest So great has become the reputation of Dr Allen's Balsam that it is now used in the New York Philadelphia and Baltimore Hospitals, and in the private practice of our most eminent medical men

For children laboring under Inflammation of the Lungs, Colds Coughs, Croup, Quinsy, and Sore Throat this Balsam is of great importance The number of deaths among children from these diseases is truly alarming If parents wish to save the lives of their children, and themselves much trouble anxiety, and expense, let them procure Dr B D Allen's Balsam; and whenever a child has taken cold has any fever, cough, or hoarseness, give a teaspoonful of this medicine and repeat it if necessary, even one teaspoonful will often effect an entire cure During the winter of 1839 rising of one thousand families employed this remedy in the city of New York The consequence was, that the number of deaths among children was reduced to less than one half the usual number as may be seen by the city inspector's report of deaths.

In order to give the reader some idea of the efficacy of this Balsam, and how extensively it is used we here introduce the monthly report of the cures it performed in the month of May, 1839 as furnished us by the agent, and published in the New York Sun

"Monthly Report of the cures performed by Dr B D Allen's Balsam of Hoarhound, Liverwort and Pleurisy Root during the month of May It has cured and completed the cure of

OPINIONS OF THE MEDICAL FACULTY

At a meeting of the Medical Society of Washington County, the following Revolution was unanimously passed:

CONSUMPTION AND LIVER COMPLAINT.

BALSOM OF LIVERWORT

DR TAYLOR'S BALSOM of LIVERWORT has been used successfully for eight years in the Cure of these Diseases ☞Remember! the original and genuine is made ONLY at 375 Bowery New York, ALL others are spurious and unauthorized

CONSUMPTION & LIVER COMPLAINT

As a general remedy for these diseases, I am fully satisfied from long experience there is no medicine equal to Dr Taylor's Balsom of Liverwort Being purely vegetable, it can be used with the utmost safety by all persons in every condition It cleanses the lungs by expectoration relieves difficult breathing and heals the chest There can be no question, but this medicine is a certain cure for chronic coughs and colds I have used it for four years in my practice and always with success A F RODGERS M D

☞SPITTING OF BLOOD This disease consists of a discharge of blood often frothy, from the mouth brought up with walking and coughing and is usually accompanied with difficulty of breathing and some pain in the chest Sometimes it is preceded by an oppression at the chest, a dry tickling cough and slight shooting pains This disease is always more or less dangerous The great danger is that these symptoms may terminate in consumption and immediate remedies can alone save this end But Dr Taylor's Balsom of Liverwort is a sure remedy, and to show its unparallel led success certificates of cures from 421 citizens and many physicians, will be published in a few days.

☞NERVOUS DISEASES AND WEAKNESS Dr Taylor's Balsom of Liverwort made at 375 Bowery is assuredly an excellent remedy for these diseases My wife has been more or less ill for ten years She was extremely nervous and at times so weak that she could not attend to her domestic duties By the use of this medicine, her strength is wholly restored and she is as healthy as I can wish her to be My address is at Dr. Taylor's office

CURE OF CONSUMPTION Mrs Martin a worthy member of my congregation was taken ill some time since with a cold pain in the breast and some difficulty of breathing and in a few days thereafter she had a violent cough and violent pain in the sides, which no medicine would relieve She continued in this way for a long time under the medical care of Dr Rea but finally became consumptive and was evidently near the end of her earthly sufferings when her brother persuaded her to try Dr Taylor's Balsam of Liverwort When she commenced this medicine it did not seem to agree with her for a few days but by lessening the dose she found it answered admirably it relieved her cough and her difficulty of breathing instanter, and we had the pleasure of witnessing her rapid recovery to health

BALDNESS.

A BEAUTIFUL HEAD OF HAIR

Is the grandest ornament belonging to the human frame How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance the remainder of their lives is consequently spent in retirement In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair To avert all these unpleasant circumstances OLDRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application and a few bottles restores it again It likewise produces eyebrows and whiskers, prevents the hair from turning gray, makes it curl beautifully and frees it from scurf Numerous certificates of the first respectibility in support of the virtues of Oldridge's Balm are shown by the proprietors

Read the following

ROBERT WHARTON, Esq late Mayor of Philadelphia, has certified, as may be seen [illegible] to the high character of the following gentlemen

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J Oldridge and have found it highly serviceable not only as a preventive against the falling off of hair but also a certain restorative
